Vocabulary From Literature

Activity II Writing Definitions from Context Clues Chapters 1-3

Directions: For each excerpt from these chapters, select the correct definition from the choices provided for each vocabulary word. As a last resort, you may use the dictionary but the definition you select for each word must make sense in the context it is being used in the passage.

1. Only from the yellow barrels of the microscopes did it borrow a certain rich and living substance, lying along the polished tubes like butter, streak after luscious streak in long recession down the work tables. (Pg. 3)

Definition for recession:

- A. a marching line
- B. a withdrawing or going back
- C. a forward motion
- D. a bump
- E. a gathering
- 2. Bent over their instruments, three hundred Fertilizers were plunged, as the Director of Hatcheries and Conditioning entered the room, in the scarcely breathing silence, the absentminded, **soliloquizing** hum or whistle, of absorbed concentration. A troop of newly arrived students, very young, pink and **callow**, followed nervously, rather abjectly, at the Director's heels. Each of them carried a notebook, in which, whenever the great man spoke, he desperately scribbled. (Pg. 4)

Definition for **soliloquizing**:

- A. concentrating closely
- B. whispering
- C. speaking aloud to oneself
- D. annoying others
- E. pondering

Definition for callow:

- A. lacking maturity
- B. friendly
- C. lacking knowledge
- D. dignified
- E. healthy in appearance

Vocabulary From Literature

Activity VI Crossword Puzzle Chapters 1-3

Across

- 1. a belt with small loops for holding bullets
- 4. after death
- 6. a charitable gift or deed
- 9. excessively moralistic; using proverbs or maxims
- 11. expressing regret over
- 13. hard to figure out or understand
- 19. bitterly; angrily
- 20. large narrow-necked jars
- 22. giving birth to a live offspring
- 23. one who takes the place of another; a substitute
- 24. impossible to overcome
- 25. excessive emotional expression

Down

- 2. impaired, often by rage
- 3. related to basic facts or principles; fundamental
- 5. stated and assumed something is true
- 7. most favorable; best
- 8. to decide upon in advance
- 10. given assistance, usually financial
- 12. unnecessary
- 14. characterized by a hissing sound
- 15. dirty and horrid; characterized by poverty
- 16. to multiply rapidly
- 17. lacking sophistication; artless
- 18. something that is bothersome; inconvenient
- 21. to spread throughout

Brave New World

9. "...Because I never *could* make him understand that that was what civilized people ought to do. Being mad's **infectious**, I believe. Anyhow, John seems to have caught it from the Indians." (Pg. 122)

Definition for infectious:

- A. creates confusion
- B. energizing
- C. opposite of the norm
- D. easily passed from one to another
- E. a current trend
- 10. Mitsima squeezed and patted, stroked and scraped; and there at last it stood, in shape the familiar water pot of Malpais, but creamy white instead of black, and still soft to the touch. The crooked **parody** of Mitsima's, his own stood beside it. Looking at the two pots, he had to laugh. (Pg. 134)

Synonym for parody:

- A. opposite
- B. duplicate
- C. inferiority
- D. version
- E. spoof
- 11. Bernard had entered the room and was advancing between the rows of fertilizers toward them. A **veneer** of **jaunty** self-confidence thinly concealed his nervousness. (Pg. 148)

Definition for **veneer**: Synonym for **jaunty**: A. posture, stance A. calm

B. a thin surface that covers another

B. regal

C. a friendly greeting C. lively

D. a controlled or restrained responseE. an attitudeD. falseE. hostile

Brave New World

insinuating – to suggestively introduce a thought insurmountable – impossible to overcome intercepted – interrupted the intended course of intravenals – injections administered directly into the veins largesse – generosity luminously – glowingly; emitting light lupus – a disease that affect skin, joints, and body systems luminogamy – the practice of having a single mate or partner mutation – a change in a gene or chromosome resulting in a difference mutton – the flesh or meat of some resulting in a difference mutance – something that is bothersome; inconvenient obscene – morally offensive officiously – unwanted and overly eager; inappropriately promiscuous – to decide upon in advance proliferate – to multiply rapidly prominent – projecting outward; protuberant promiscuous – not restrictive about sexual partners; indiscriminate recession – a withdrawing or going back reluctant – demonstrating unwillingness remorses – incidents of sadness revert – to return to a former condition rigorously – strongly; emphatically rudimentary – related to basic facts or principles; fundamental sadism – pleasure received from inflicting pain on others sententiously – excessively moralistic; using proverbs or maxims sibilant – characterized by a hissing sound slavish – showing no originality soliloquizing – speaking aloud to oneself spasmodic – occurring in sudden outbursts squalid – dirty and horrid; characterized by poverty sterile – incapable of producing offspring stigmata – marks of disgrace or infamy
insurmountable – impossible to overcome intercepted – interrupted the intended course of intravenals – injections administered directly into the veins largesse – generosity luminously – glowingly; emitting light body systems landlin – sentimental monogamy – the practice of having a single mate or partner mutation – a change in a gene or chromosome resulting in a difference mutsance – something that is bothersome; inconvenient of monogally – unwanted and overly eager; prominent – projecting outward; protuberant promiscuous – not restrictive about sexual partners; indiscriminate recession – a withdrawing or going back reluctant – demonstrating unwillingness remorses – incidents of sadness revert – to return to a former condition rigorously – strongly; emphatically rudimentary – related to basic facts or principles; fundamental sadism – pleasure received from inflicting pain on others sententiously – excessively moralistic; using proverbs or maxims sibilant – characterized by a hissing sound slavish – showing no originality solioquizing – speaking aloud to oneself spasmodic – occurring in sudden outbursts squalid – dirty and horrid; characterized by poverty sterile – incapable of producing offspring
intercepted – interrupted the intended course of intravenals – injections administered directly into the veins largesse – generosity luminously – glowingly; emitting light body systems rewert – to return to a former condition rigorously – strongly; emphatically rudimentary – related to basic facts or principles; fundamental sadism – pleasure received from inflicting pain on others sententiously – excessively moralistic; using proverbs or maxims sibilant – characterized by a hissing sound slavish – showing no originality sudden outbursts inconvenient obscene – morally offensive officiously – unwanted and overly eager; sterile – incapable of producing offspring
course of intravenals – injections administered directly into the veins largesse – generosity luminously – glowingly; emitting light lupus – a disease that affect skin, joints, and body systems maniacally – characterized by excessive enthusiasm; suggestive of insanity maudlin – sentimental monogamy – the practice of having a single mate or partner mutation – a change in a gene or chromosome resulting in a difference mutton – the flesh or meat of a sheep nuisance – something that is bothersome; inconvenient obscene – morally offensive officiously – unwanted and overly eager; partners; indiscriminate recession – a withdrawing or going back reluctant – demonstrating unwillingness rewert – to return to a former condition rigorously – strongly; emphatically rudimentary – related to basic facts or principles; fundamental sadism – pleasure received from inflicting pain on others sententiously – excessively moralistic; using proverbs or maxims sibilant – characterized by a hissing sound slavish – showing no originality soliloquizing – speaking aloud to oneself spasmodic – occurring in sudden outbursts squalid – dirty and horrid; characterized by poverty officiously – unwanted and overly eager;
reluctant – demonstrating unwillingness remorses – incidents of sadness rewert – to return to a former condition rigorously – strongly; emphatically rudimentary – related to basic facts or principles; fundamental sadism – pleasure received from inflicting pain on others sententiously – excessively moralistic; using pain on others sententiously – excessively moralistic; using proverbs or maxims sibilant – characterized by a hissing sound slavish – showing no originality soliloquizing – speaking aloud to oneself spasmodic – occurring in sudden outbursts squalid – dirty and horrid; characterized by poverty sterile – incapable of producing offspring
largesse – generosity luminously – glowingly; emitting light lupus – a disease that affect skin, joints, and body systems revert – to return to a former condition rigorously – strongly; emphatically rudimentary – related to basic facts or principles; fundamental sadism – pleasure received from inflicting pain on others sententiously – excessively moralistic; using proverbs or maxims sibilant – characterized by a hissing sound slavish – showing no originality soliloquizing – speaking aloud to oneself nuisance – something that is bothersome; inconvenient obscene – morally offensive officiously – unwanted and overly eager; sterile – incapable of producing offspring
luminously – glowingly; emitting light lupus – a disease that affect skin, joints, and body systems maniacally – characterized by excessive enthusiasm; suggestive of insanity maudlin – sentimental monogamy – the practice of having a single mate or partner mutation – a change in a gene or chromosome resulting in a difference mutton – the flesh or meat of a sheep nuisance – something that is bothersome; inconvenient obscene – morally offensive officiously – unwanted and overly eager; revert – to return to a former condition rigorously – strongly; emphatically rudimentary – related to basic facts or principles; fundamental sadism – pleasure received from inflicting pain on others sententiously – excessively moralistic; using proverbs or maxims sibilant – characterized by a hissing sound slavish – showing no originality soliloquizing – speaking aloud to oneself spasmodic – occurring in sudden outbursts squalid – dirty and horrid; characterized by poverty sterile – incapable of producing offspring
lupus – a disease that affect skin, joints, and body systems maniacally – characterized by excessive enthusiasm; suggestive of insanity maudlin – sentimental monogamy – the practice of having a single mate or partner mutation – a change in a gene or chromosome resulting in a difference mutton – the flesh or meat of a sheep nuisance – something that is bothersome; inconvenient obscene – morally offensive officiously – unwanted and overly eager; rigorously – strongly; emphatically rudimentary – related to basic facts or principles; fundamental sadism – pleasure received from inflicting pain on others sententiously – excessively moralistic; using proverbs or maxims sibilant – characterized by a hissing sound slavish – showing no originality soliloquizing – speaking aloud to oneself spasmodic – occurring in sudden outbursts squalid – dirty and horrid; characterized by poverty sterile – incapable of producing offspring
lupus – a disease that affect skin, joints, and body systems maniacally – characterized by excessive enthusiasm; suggestive of insanity maudlin – sentimental monogamy – the practice of having a single mate or partner mutation – a change in a gene or chromosome resulting in a difference mutton – the flesh or meat of a sheep nuisance – something that is bothersome; inconvenient obscene – morally offensive officiously – unwanted and overly eager; rigorously – strongly; emphatically rudimentary – related to basic facts or principles; fundamental sadism – pleasure received from inflicting pain on others sententiously – excessively moralistic; using proverbs or maxims sibilant – characterized by a hissing sound slavish – showing no originality soliloquizing – speaking aloud to oneself spasmodic – occurring in sudden outbursts squalid – dirty and horrid; characterized by poverty sterile – incapable of producing offspring
