Practice

Each single word exercise is contained on a three-part slide.

The first slide provides a context for the word. Examine the context and think of words that would fit.

Practice

The first click provides a bank of words.

One of the words will fit the context better than any of the others.

Practice

The second click identifies the correct choice.

The background of the slide is dark and features several pencils arranged diagonally from the top-left to the bottom-right. In the upper right portion, there is a faint, semi-transparent grid of a computer keyboard, showing keys with letters A, B, C, D, E and various symbols.
