

Classroom Library Packs

Libraries for the Modern Classroom

One of the best ways to help your students develop a lifelong love of literature is to give them independent reading choices that go beyond your curriculum. That's why classroom libraries are key!

Whether you're expanding your current library or just starting out, building a well-rounded book selection is simple with *Prestwick House Classroom Library Packs*. Carefully chosen based on text complexity and subject matter, these book bundles include level-appropriate paperbacks that students won't be able to put down.

Just in time for the 2023-24 school year, the *Classroom Library Packs* lineup is bigger than ever before! We've added new bundles for 7th to 12th grade, giving you more options to shop for the specific grade level you need.

Titles in Classroom Library Packs may be changed based on availability at the time of purchase. If there is a change from the advertised titles, we will contact you before shipping your order.
